

# A Simple Christmas

## EXPERIENCE LOVE

### *By Keeping Christ in Christmas*

#### **CELEBRATE HIS BIRTH**

Make a birthday cake for Jesus and celebrate the reason for the season on Christmas Day!

#### **SING CHRISTMAS CAROLS**

Go caroling as a family or attend a special Christmas carol event. Christian carols speak love to all.

#### **UNPLUG**

Designate some time during this Advent to unplug from the technological world. Rejoice in the quiet moments and experiences.

#### **RECEIVE JESUS**

Have you received the gift of Jesus Christ? Prepare your heart and invite Jesus into your life. Love came down at Christmas.

#### **READ THE WORD**

Spend some time in the Word this Christmas season. Read the Nativity story in Luke as a family.

#### **SPEND LESS**

Give experiences this Christmas instead of gifts. Build relationships through quality time, making memories and offering services.

#### **CHRISTIAN TRADITIONS**

Put a Christian spin on family traditions. Add a family devotional to lighting the Advent candles. Read the Christmas Story on Christmas Eve. Spot Nativity Scenes when looking at Christmas lights. Watch Christian Christmas movies. Add a kneeling Santa to your Nativity set.
